

## Facilities

Our Boarding House is a home away from home. We provide all the first-class facilities you would expect, and even more, but the individual care that we offer each child is what sets us apart.

### Our Boarding House

The Boarding House is brand-new with state-of-the-art facilities. It is located right next to the school and is divided into two residential floors. Boys and girls stay on separate floors. Resident staff members have their own apartments on each of these floors as well, so support is always within easy reach.

Our Boarding House has a wonderful yard and garden with lemon, orange and olive trees. We often have barbecue dinners or home-cooked pizza nights in our special outdoors oven.

### Bedrooms

All our rooms are equipped with modern furniture and en-suite bathroom facilities. All rooms have air conditioning, heating, central digital control and wi-fi access. Most of our rooms are single but double and triple rooms are also available.

### Sports Grounds and Other Facilities

Within the school grounds, students also have access to excellent sporting facilities, including indoor swimming pool, indoor sports hall, outdoor football pitch, outdoor basketball and tennis courts.
